Keller

Dear Mr. Keller,

We've all had our days...(hem) some good and some, well, not so good. But you can't be that bad of a guy or we wouldn't have taken all the insults you did. Since I'm writing for the class, I guess I have to say that this wasn't a bad one. I especially say Mark and you had some of the top laughs, and you wouldn't have expected to hear it from me because you're such a quiet person. Do you realize you have us next year. I'll enjoy your students? Have a great summer. Best of luck!

We really do love you Carrette. You're one of my T.D. in your book now. Love ya, Mr. Mark Keller.

Mr. Crane

We, too, the children of earth, have our moon phases all through any year; The darkness, the delivery from darkness, the waxing and waning. None lives, except the mindless, who does not in some degree experience this, hours of despair followed by hope or, perhaps, slow adjustment; Times of fear, even panic, and then the light, however small. For in the normal human being it is impossible to love every day under emotional stress; There have to be, on this seesaw, periods of even balance.

MR. GEORGE CATALDO

A yearbook dedication is an achievement of high honor for a teacher. It means that though he may not have reached his goal, he has reached into the minds of students and into the hearts of many. He is a person who is looked up to and respected. He is a standard—a goal in quality of character. Today there is one difference. He is now honored publicly.

A yearbook is the product of all our frustrations, disgusts, laughter and fun, and dedication. The pride and satisfaction in the 1969 EAGLE by those who created it is immeasurable. The teacher chosen for dedication is equally esteemed. He has shown his dedication to students at Wayne for fourteen years. Never afraid to trust and believe in us, he has, in his own special way, earned our admiration. We proudly and sincerely dedicate the 1969 EAGLE to Mr. George Cataldo.

Mr. Cataldo was born on September 13, 1930 in Hudson, New York. His father was a Methodist preacher and Mr. Cataldo attended several schools in the Hudson Valley area. He graduated in a class of twelve from Gilbea High School. He received his Bachelor's Degree in 1952 from Houghton College.

Shortly after his marriage, he served as a laboratory technichian in the Army for two year. Using this experience, Mr. Cataldo worked as a laboratory technician for Dr. Loomis for twelve years. To continue his education, he attended Albany State College where he received his Master's Degree. He has since taken extra courses at the University of Rochester, Union College and Well's College.

He and his wife, Shirley, have four children; Laura, Sandra, Mark and Julie, aged 11, 10, 7 and 2 years. They live in a split level home on the Walworth-Ontario Road. Mr. Cataldo's hobbies at home include photography and leatherwork. In school, he has shared his interest in radios with students, and is advisor of the Science Club which includes a rocketry division.

Interested in serving not only students but others as well, Mr. Cataldo is active in the Migrant Ministry which provides for a nursery school, medical aid, legal aid, and other needs of poor families in our area. As treasurer of this organization, it is his job to be sure there are funds to carry out this work. In connection with this work, Mr. Cataldo is also involved with the Community Center which provides food, furniture, and other necessities which have been lost because of fire. For the past six years he has been a member of the Ontario Baptist Church Board. He serves on the Executive Committee of the N.Y. State Science Teachers Association. He is also on the N.Y. State Science Teachers Committee to Albany which is constantly investigating new programs and better ways to teach.

Mr. George Cataldo deserves and has the pride and admiration of the 1969 EAGLE staff and all those at Wayne Central.

Brunold Schneider

Dear schoolmates, dear teachers,

It is more than a duty, it is my greatest desire, I feel, to show you my thankfulness for this so wonderful and precious year which you gave me. So many significant and innermost rememberances will accompany me through my entire life and the great experiences will develop it in a direction which leads to my aim of life. The time with you was one of the most important ones I ever had and it made me happy, very happy.

It is so important for me to know that you have had a rewarding year, too. Everyone who feels the desire of going abroad to learn about people, and the every-day life of another nation should do it. That is what I wish for every one of you.

Bernie LeViner will have a wonderful time in Europe and, maybe in Germany.

Thank each one of you, so much,

With the best wishes for you,
I am your Brunold Schneider

Miss Diane Beneway, our exchange student to Belgium.

SENIOR STUDIES

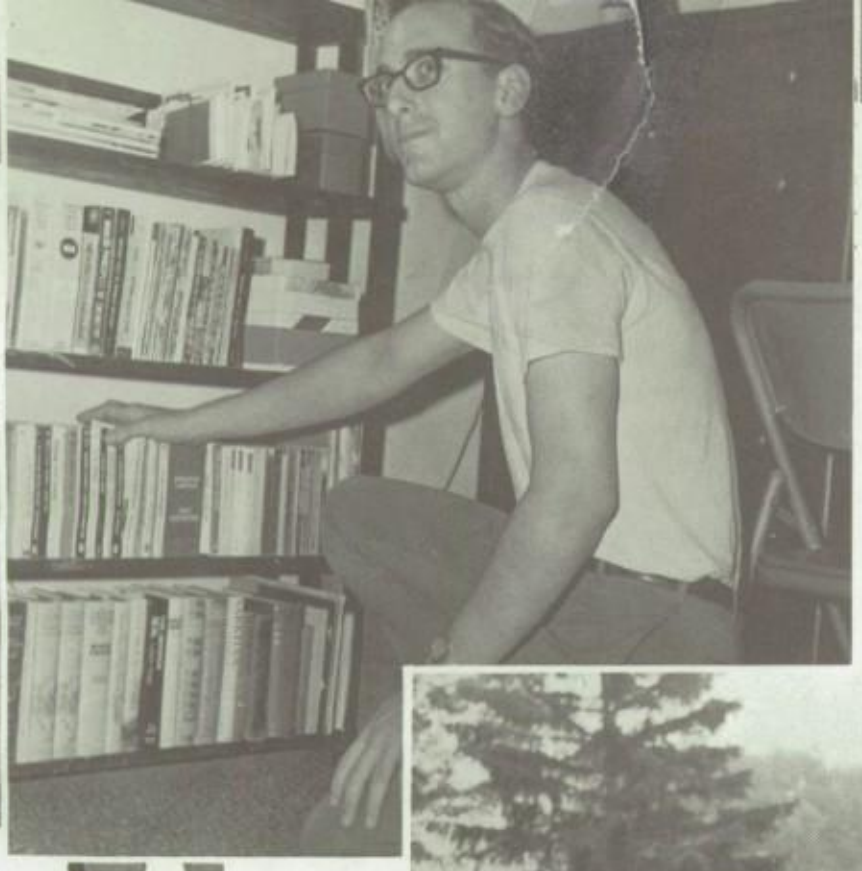
SUE PRINGLE *Her pixiness is contagious; her manner delightful.*

LEE ABBOTT *I observe the teacher with the same dread as he the pupils.*

VALERIE TEPPER *What I really crave is one of those darling little sports cars with the darling little sport still in it.*

DIANE REYNOLDS *The world embarrasses me.*

PAM GENTILE *My main interests are talking and thinking—in the order named.*



KURT WEISENREDER
He knows what is what.

MARY ELLEN CASS Her wide-eyed curiosity abets a bundle of energy.

KATHY SCHLEGEL
I prefer the errors of enthusiasm to the indifference of wisdom.

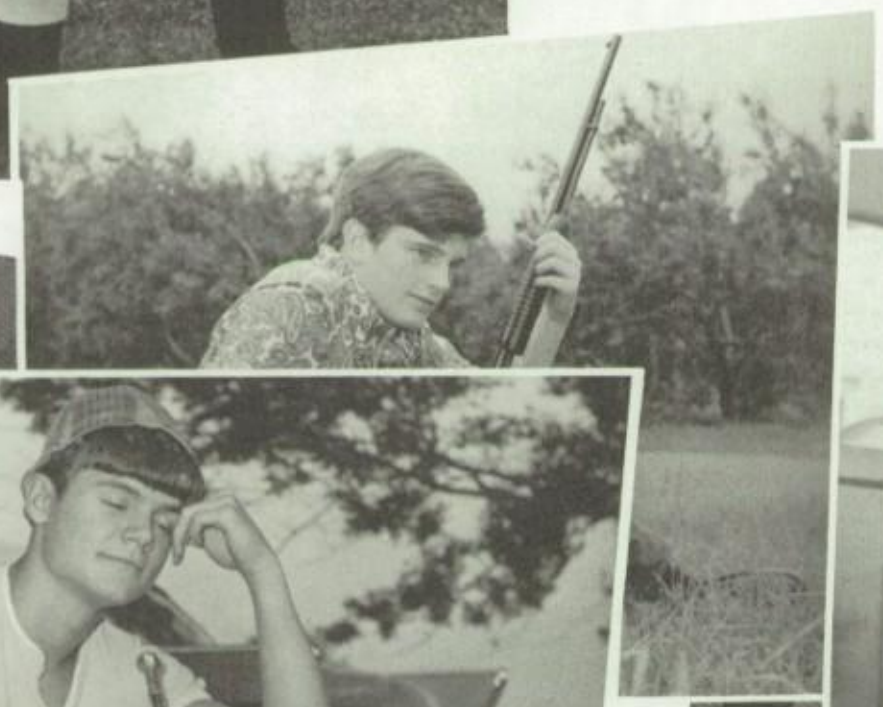
CINDY THOMPSON A smile for every girl and two for every boy.

CHARLES CAREY I wonder if God invented man because he was disappointed in the monkey.

LARRY PRIEST Hard work never killed anyone they say, but why take a chance on being the first victim.

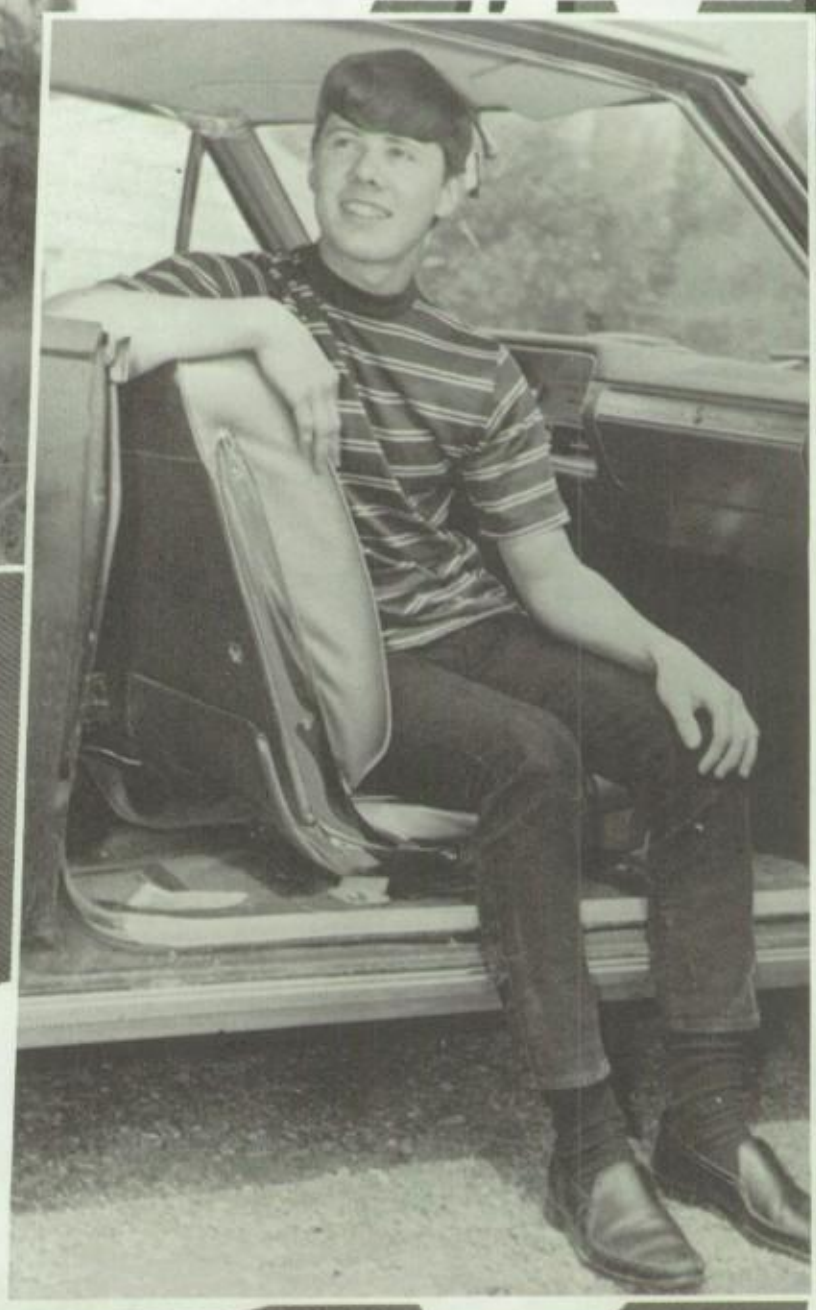
LINDA RICHMOND A small v o i c e is better than a big echo.

DAVID DOYLE A day for sport, an hour for toil.



MIKE BUSHEY It's not only the ignorant who despise education.

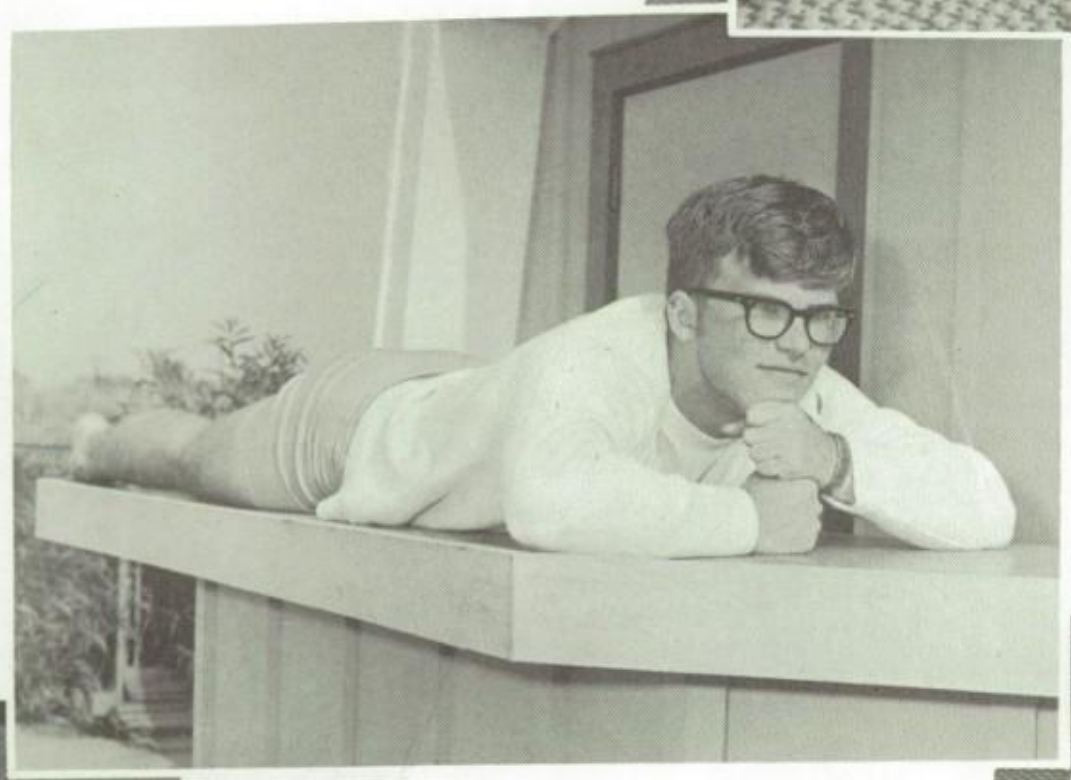
GARY FINLEY The high school is the place where the band practices.



TOM DUYSSEN Independence is the distinguishing feature of the individual.

DAN MOAK In the battle for existence, talent is the punch; tact is the clever footwork.

DIANE BAUERSCHMIDT Jokes and laughter seem to be what she thrives on.



BOB COOK Determination-That I've got plenty of!

DIANE BENEWAY The happiest person is the person who thinks the most interesting thoughts.

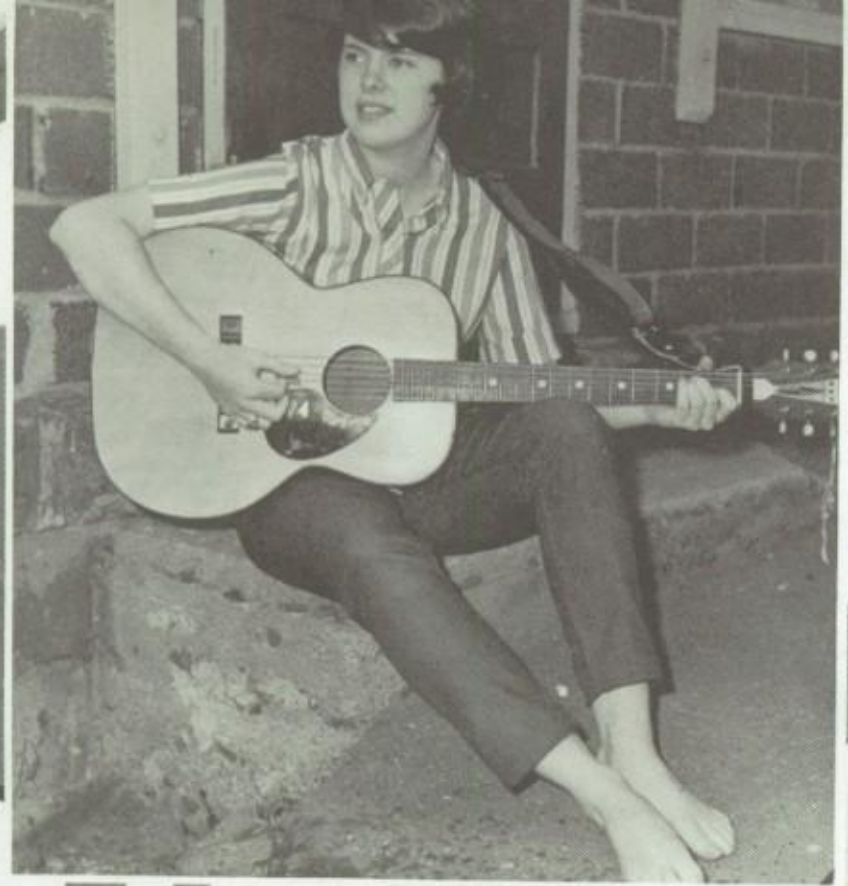
GEORGE LENNON Laughter holding both his sides.

CAROL KEYMEL A woman would rather be right than reasonable.

DOUG FISHER A guilty look in period one, out last night no homework done.

SUE JURGEL Please keep this confusion order-

DEBBIE DUDLEY Typewriter: a machine used by stenographers and which can't spell either.



JOYCE BURNETT A sport participant, she's always on the winning team.

DON ANDERSON I am no born gentleman.

Administration

In order to have a well-adjusted and harmonious school system, there must be an administration that is responsive to the desires and problems of all involved with that system.

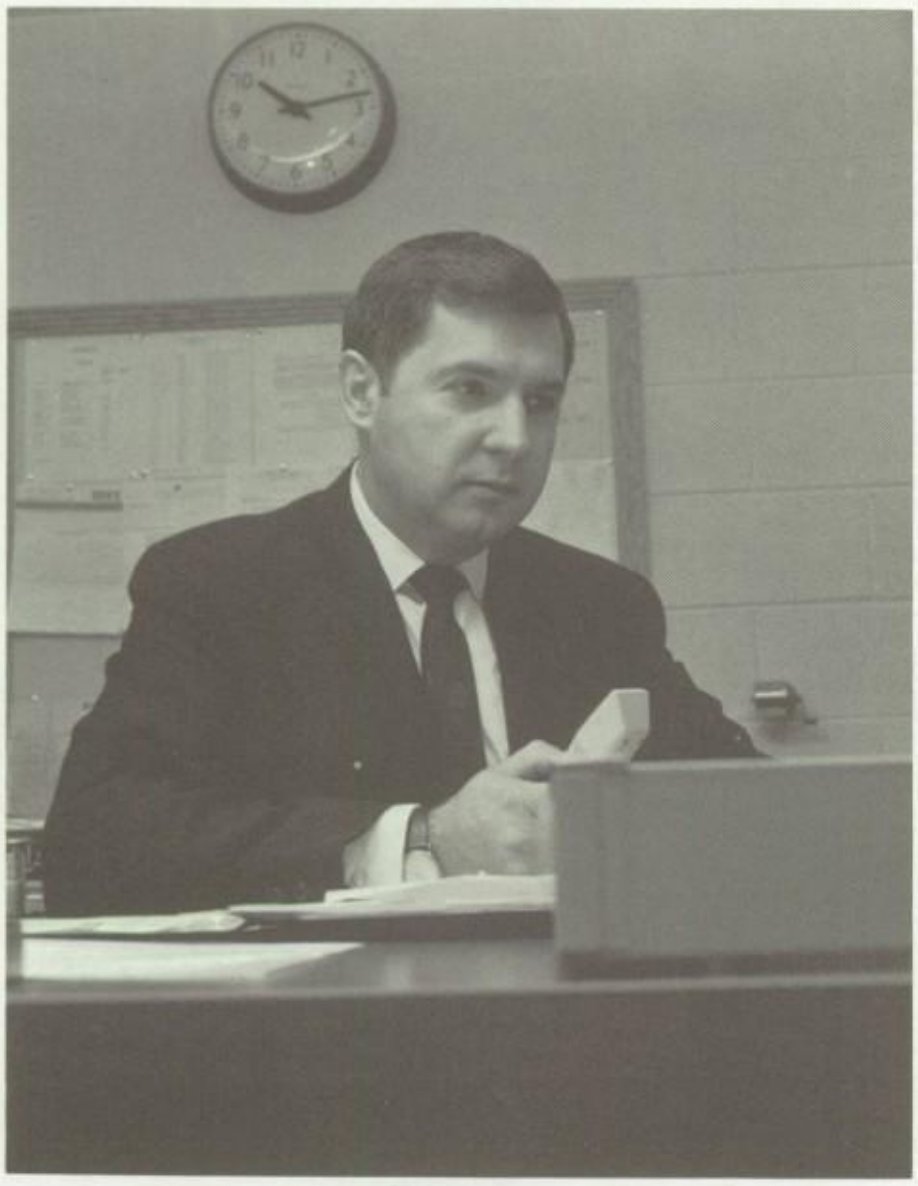
Under the care of Mr. Chester E. Tepper, superintendent, aided by Mr. Jack L. Peterson, assistant superintendent, our educational system has flourished and developed into one capable of being enjoyed by students as well as faculty.

Mr. Anthony Moshano, high school principal, and his able assistant Mr. Emory Faulks have strived for an atmosphere most conducive to proper learning. Their tireless efforts to make the student a happy and contented one are clearly visible.

The Board of Education should not be overlooked in its service to the community. Its handling of the budget and functions of the school system clearly reveals the fine manner in which it performs for the welfare of the taxpayers and students of this area.

Each one of us should feel deeply thankful to the Wayne Central administration for its dedication and hard work throughout the year. Without their persistent guidance, personal happiness and satisfaction would have been impossible to attain.

Valerie Tepper



Mr. Tepper

Dear Seniors:

Each of you is the product of heredity and his immediate environment—home, c h u r c h, and school. We, your teachers, like to think that we have aided constructively in the molding of your characters and your personalities. We hope that we have helped you to develop into intelligent, competent young Americans. I believe that we have succeeded, Class of '69.

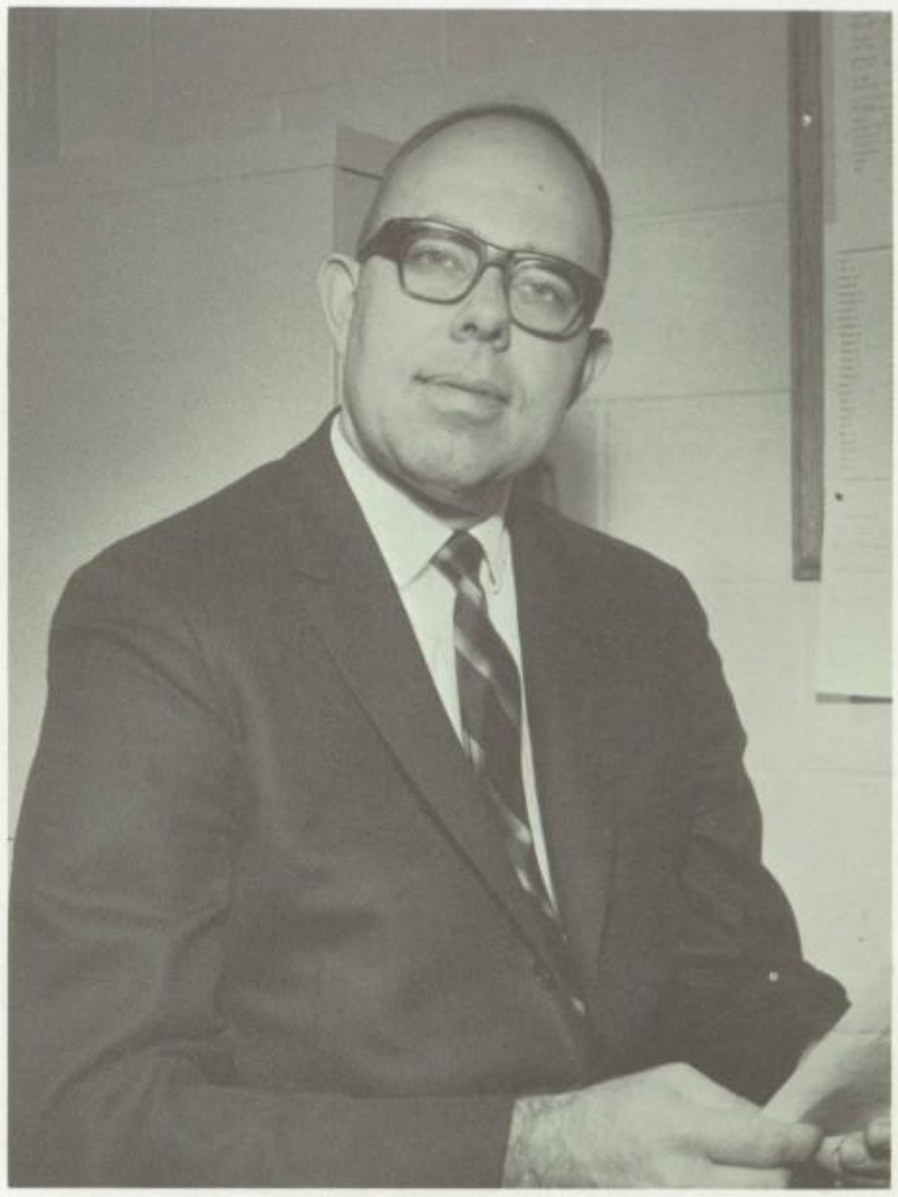
Now you must steel yourselves as you enter our adult society in one of the most critical and challenging periods in our nation's history. Give a good account of yourselves.

I wish you all a lifetime of success and happiness.

Sincerely,
Chester E. Tepper
Superintendent

Mr. Palmer, Supervisor of Facilities.

Mr. Kearns, Business Manager.



Mr. Peterson, Ass't. Superintendent.

Mr. Moshano

To Class of 1969:

Every man has two educations—that which is given him and that which he gives himself. Of the two types, the latter is by far more important.

It is my hope that each of you will leave something of himself embedded in Wayne Central High School, and that you have taken something of equal value from it.

Sincerely yours,
Anthony Moshano
Senior High School Principal

Good Luck, Class of 1969.

My hope for each of you that your future will be bright and filled with the satisfactions of life, not particularly in material possessions, but in knowing that the world is a better place for your having been here.

I like to think that Wayne Central School had a part in helping you fulfill your destiny and that, in the years ahead, we may look upon your achievements with pride.

Sincerely,
Emory Faulks
Ass't. Senior High

Yearbook-1969

I am sure you do not need to be reminded that we live in a changing world. Today is different from yesterday and tomorrow will not be like today.

The only sure way of survival in such a world is to be able to change with the times. We trust your years at Wayne Central have equipped you to make appropriate changes.

May I wish you well as you leave us in your quest for success in a changing world.

Mr. Sones, Middle School Principal.

Dear Seniors,

Congratulations! You have met, and successfully completed, one of life's major challenges.

I hope that your tenure in the Wayne Central Schools has been happy and productive. I also hope that future years will bring many more pleasant and successful experiences.

Good luck in whatever endeavor you pursue.

Charles Sones

MECHANICS

FACULTY AND PERSONNEL

"Do you know that the bus driver actually turned the radio on this morning!"

"Double servings, please!"

"Wow, those ideas Mrs. Teacher had at the meeting, Friday, were GREAT!"

"Yeah! And after seeing Mr. Teacher cheering for our team at the game, I'm wondering why we need cheerleaders!"

These are a few of the many favorable comments from students concerning our faculty. The comments about classes and education in general are even BETTER. Every teacher has devoted many hours in the hope of broadening each student's knowledge. Usually, a rewarding devotion! For most teachers, the satisfaction in teaching carries over into advising various clubs and extracurricular activities which often instill an unknown zeal in many students. For everything they have done, we give them a good round of applause!

Often our faithful custodians, bus drivers, and cafeteria workers go unheralded. However, their efforts have not gone unnoticed. In fact, what would we do without them?

Whenever the students are plagued by a problem, there's always a friendly smile and beckoning, open doors. This definitely has to be our guidance office. Through helpful advice, our hurried high school years are gently directed toward an even faster-paced world.

Without bitterness toward scatter-brained club treasurers, the secretaries eagerly aid in club records and projects. Besides this, they manage to keep our school in efficient running order through a combination of switchboard operators, errand boys, typists, accountants, and IBM experts. Keep up the good work!

UNDERCLASSMEN

Filled with uncertainty, the freshman class entered a new, more vibrant world and advanced toward the ultimate goal of graduation. With the leadership of President Diane Richardson, Vice-President Gail Reed, Secretary Janet Rueger, and Treasurer Jeff Kunzer, they eagerly awaited the planning of their first dance, which was a great success.

The big event for the sophomore class this year was their dance, which proved to be an evening filled with loads of fun. To answer the many questions which came up, the class wisely elected for its President Rita Collins, Vice-President Arthur Heberle, Secretary Eileen Schneider, and Treasurer Loren Colburn. This year was another stepping stone toward their ultimate goal of becoming seniors and finally graduating.

At the head of the junior class this year was President Loretta Luke, and working eagerly at her side were Vice-President Cal DuVall, Secretary Ginny Ginegaw and Treasurer Mary Edwards. Two new things were planned this year, first was a winter prom, and second the Class of '70 sold candles to ease the burden of their senior year. The traditional play was also planned. The juniors energetically accomplished all three tasks.

These young up-and-coming students anxiously await the day when they will take over the many joys and often too abundant frustrations of the senior class.

N.H.S.

An integral part of man's life is the part that events play on his emotions. An event that brings both joys and anxieties to the student body is the annual Induction Assembly of the National Honor Society. This assembly honors the students posessing the supreme qualities of leaderships, scholarship, character, and service.

The club members, under the guidance of Mrs. Bebernitz, forged ahead this year to partake as an active club. Through the responsible leadership of President John Stevens, Vice-President Valerie Tepper, Secretary Diane Beneway, and Treasurer Cheryl Ebert the club was able to achieve its goals.

Student Council

The Student Council has developed to such an extent that each student has a concept of its function and knows with what effort the members work to obtain their goal, democracy in school. This past year will leave marks in school governments in the future. Don't forget the names of other helpers, especially those of Kathy Duell the Vice-President, Rita Collins, Secretary, Marlene Youngman, Treasurer and Mr. Miller as advisor.

STUDENT COMMITTEE

Student Committee

Student Committee, the very important branch of Student Council, has played a signifigant role during the past year. Many have taken the opportunity to give opinions and suggestions to the elected chairman George Lennon and co-chairman Bob Fenn. Mr. Miller was their advisor. It is so important to know someone who is willing to listen and help. This is found in the Student Committee which works closely with the Student Council.

INTERACT CLUB

Interact Club is a service club sponsored by the Rotary for the betterment of Wayne Central. Working hard to complete their goals, these boys sponsored a roller skating party, a Christmas Drive, and a foreign exchange banquet. They excelled in their goals under the leadership of President Bob Mogray, Vice-President Dirk Hightower, and Secretary-Treasurer Dan Syron, and the guidance of Mr. Martin.

FOCUS

Writing is an art which can truly express a personal emotion. The FOCUS staff at Wayne seeks to express itself through its paper. Each article, no matter how much straight news, still possesses a definite feeling with regard to the particular subject. John Stevens, editor, encourages his staff to write only what they feel and only when they feel. This basic philosophy has made the paper interesting and thought-provoking, and worthy of high praise.

SKI CLUB

Though some people shivered and shook their heads with dissatisfaction at the first flakes of snow, others gazed at the new-fallen carpet of white with gleeful hearts in anticipation of many long-awaited ski trips with Wayne Ski Club.

New members realize that this organization guides and helps them on the slopes until they can stand safely on their own two skis. The purpose of the club is to increase the newcomer's appreciation of the sport, and to provide opportunities for its members to ski. This year trips were scheduled at Song Mountain, Swain Ski Slopes, and Bristol Mountain.

The ideas of an overnight trip and participation in interscholastic competition have been looked into. Under the guidance of Mr. LaChuisa, President Jan Lugert, Vice-President Dave Fisher, Secretary Allyson Smith, and Treasurer Diane Beneway, the Ski Club brings many happy hours to adventurous students.

FRENCH CLUB

Being one of the most popular of the language courses offered by this school's curriculum would seem to put the French Club in a most favorable position. And judging by the membership, it has done just that!

As well as acquainting its members with France and the French by using audio-visual material the group will, on occasion, go to a French Restaurant.

Because French is many things to many people one must assume that the club itself has a personality. Bearing in mind the group's representatives it is easy to realize why the "personality" is of a most pleasing sort. Directed by Madame Miles the officers include:

Kathy Duell—President
Marion Witt—Secretary
Karen Chappell—Treasurer

GERMAN CLUB

Languages play an integral part in the curriculum at Wayne. The study of them will provide one, not only with the necessary credits, but also with a deeper insight and understanding of the world's people. Studying German must give one an abundance of both. Enough interest has evolved that a unit calling itself the "German Club" has come to be.

At times the group gathers to hear a lecture delivered by a personage who is either an authority on Germany or is German himself. Slides and movies are shown. Field trips are in the making. All of this adds up to a well-knit organization which is sure to set the style for groups to come.

Under Herr Kenneth Stoker's commanding guidance, the group has successfully faced year number one. Naturally wise leadership must be prominent if the group will have longevity. This is provided by the following Freuleins: Kathy Knitter as President and June Wright as Secretary-Treasurer.

SCIENCE CLUB

Emotions are the vital forces which underlie a great society. The Science Club at Wayne Central delves into many of the other complexities so important to our heritage.

Through their enthusiasm and interest a Rocketry Division emerged as a new part of their activities. They also studied the other fields of advanced logic and technology. These young scientists are under the direction of Mr. Cataldo and his able co-workers are President Bernie LeViner, Vice-President Paul Bourget, and Treasurer Carol Enderlin.

F.F.A.

Most of us believe that this club's main function is to educate, through experience, its members in farming or fields of an agricultural nature. That's all?? It seems as if they do much more! For example, making available benefits which can be appreciated by the whole student body. Dedication seems to run high. The answer to that probably can be said in these few words; Mr. Emory Faulks.

This group wins many honors for Wayne at a number of fruit shows that the members attend throughout the state. Serving the public as well, they sponsor their annual Donkey Basketball Game in which they always score high in attendance, if not in points.

The popularity in the group can be attributed to its officers, President Bob Fenn, Vice-President Anthony Molino, Secretary Paul Manktelow, and Treasurer David Ruffel.

LIBRARY CLUB

For ages writers have captured the emotions of men with their great works of literature. These books are brought to you, for your enjoyment, through the efforts of the Library Club members. With hard work, they keep the books, and help Mrs. Hanson, their advisor, at the library during their free periods.

PROJECTION CLUB

With watchful eyes and speedy thinking, members of the Projection Club work diligently to further our learning process. Their purpose is to provide Wayne Central with the audio-visual material necessary for a better and more well-rounded education. Under the direction of Mr. Slater these students learn how to correctly operate the movie projectors. Throughout the year President Judy VanGee, Vice-President Norman Hale, and Secretary-Treasurer Roger VanHouter kept things running smoothly and efficiently.

SHO

Everyone through the year has had times of joy and distress. To help people overcome one and keep the other, girls have joined the Student Health Organization. They have given up their time to work in the nurse's office helping the sick and keeping others healthy. With Kathy Knitter as their President, June Wright as Vice-president, Karen Morse as Secretary, Lillie Grissom as Treasurer, and Mrs. Monsees, their advisor, they collected money for a Chest Drive which will help the boys overseas. They also collected toys for the needy children in the community.

GIRLS BOWLING TEAM

Strike! Score! We won! The Girl's Bowling Team surely has the spirit of competition even though they play only against each other. There are enough enthusiastic participants to make up four teams. The girls bowl every Monday after school till 5:00 throughout the school year. Belinda Loquasto serves as President, Lynnette Erlenback as Secretary and Mary Ellen Joslin as Treasurer.

What's the one thing you'll always remember about school? Probably, whether with pleasure or not, it will be your teachers. Future teachers of America gives students a chance to learn just what it means to be a teacher. One of their main activities is a trip to the State Teachers College at Brockport. A mother can be loving, angry, or sad all in the same day. To make a good mother, she has to be all these. The Future Homemakers of America is set up to put a mother's emotions into the things she does.

The girls of F.H.A., with the help of their President Vickie DeDee and their advisor Mrs. Colburn, have sent packages to the boys in Vietnam, and in the spring will have a fashion show.

MUSIC

Music is the one language
capable of uniquely transmitting
such feelings as love, hate, sorrow, and joy
without the use of words. It can arouse a person
to action or cause him to experience a deep serenity
of mind.

The Wayne Central Senior Band, under the direction of Mr. Gerald McClure, has developed this art highly through constant, devoted practice by its talented members. Its various activities include concerts, assembly programs, parades, county festivals, the New York State Sectional Music Association Festival, and the All State Program, all of which are performed for the sole purpose of pleasure and enjoyment. In boosting school spirit and morale the band has played a large part at both night soccer games and basketball games. Many senior band members may also participate in such groups as the Pep Band, Wind Ensemble, and Dance Band.

For the students who wish to express themselves through singing, there is the Senior Choir. It consists of 78 members who present performances at Christmas and in the Spring. Chosen from the Senior Choir are 28 students who make up the Concert Choir. Besides their two annual performances under Mr. Richard Beck's direction both choirs are available for invitations to sing in the community throughout the year. Adding variety to the program is both a Boys' and a Girls' Barber Shop Quartet. In the Spring Wayne's singers compete at Houghton College and in May attend The Choral Festival at Alfred Ag. Tec. along with 3,500 other musicians.

Wayne Central has realized the need of its students to express their emotions through music. This need has been fulfilled through Wayne's outstanding Music Department.

SPORTS

SPORTS

As always, "We've got the spirit that a great team needs!" Never before has school support of sport events been so great as we score the winning goal or as we slowly walk back from the field after a hard-lost battle. Screams and whistles echo from the crowd, as everyone lets loose his emotions.

At each baseball game, whether rain or shine, Wayne fills the stands and forms a long line around the fence. Varsity coach, Mr. LaChuisa was amazed with the boys' skill and enthusiasm. Mr. Stoner, JV coach, never thought his boys could muster up so many runs and no-hitters as they did.

No one except the track star can know the great feeling you get when you fly—over the pole. Or what greater joy is there than seeing the finish line after the mile run and nobody is ahead of you.

The Wayne putters established a good record for themselves this year as always.

The tennis team has high hopes this year of defeating their opponents on the courts and really making that ball bounce with life.

The cross country team last fall left an outstanding record for Coach DeMarte to be really proud of.

The Varsity soccer team took the Section V Championship again this year. Coach Imhoff couldn't wait to hand out the shields for the great record they chalked up. Seniors Bob Gardner, Don Robertson, Walt Hall, Sam Neil, Jim Cantin, Don Anderson, George Trapp, Paul Carr, Don Smith, Doug Fisher, John Stevens, and Bob Cook never pulled forth with such high spirits and team pride.

Excitement was written on every face as spectators cheered the Wayne Basketball team to many victories this season. Mr. Heimburger, confident of the skills of seniors Bob Gardner, Jim Cantin, Chip Fleming, Mark Crane, Sam Neil, Don Anderson, and Alvin Jones, and the rest of the team, coached from the sideline. Under Coach Imhoff, the JV team showed the spirit and stamina necessary to keep up the Eagles' successful reputation.

Mr. Miller's wrestling team, long-time winners of the Wayne County title, pinned more than their share of opponents this year. Co-captains were Jim Reynolds, Dan Moak, and Alan Donovan. The JV wrestlers proved that they, also, can live up to this record.

Wayne's Bowlers had a striking record this year, with seniors John Hurley, Roger VanHouter, and Don Smith for support.

The Leaders Club provides us with the organization needed at our athletic events. Officers of Girls' Leaders Club are Mary Cass—President, Carol Richardson—Vice-President, Loretta Luke—Secretary-Treasurer, and Jo Ellen Skorinko as Chairman of Girls' Intramurals. Leaders of the boys are President Bob Gardner, Vice-President Bob Fenn, and Secretary-Treasurer John Stevens.

We have many athletes to be proud of, and many spirited spectators, too. But a game just wouldn't be a game without our smiling cheerleaders—with Varsity Captain Pam Gentile, and Co-captain Mindy Bell, and JV Captain Mickie Dean and Co-captain Becky Bell—to keep us cheering through the ups and downs.
